

## General Terms and Conditions of ALBILEX GmbH & CO. KG

### 1. Scope of Application

- 1.1 The following Terms and Conditions (hereinafter "ALBILEX Terms and Conditions") are expressly limited to the deliveries and services of ALBILEX GmbH & Co. KG (hereinafter "ALBILEX") to businesses and legal entities (hereinafter "Purchaser") unless expressly agreed upon otherwise by the Parties in writing. The acceptance of ALBILEX's deliveries and services shall be deemed as an acknowledgement of the ALBILEX Terms and Conditions, regardless any prior objections of the Purchaser.
- 1.2 Any Terms and Conditions or purchase policies of the Purchaser shall be deemed inapplicable. This is also the case if the Purchaser refers to such Terms and Conditions or purchase policies in a letter of confirmation. Any performance of deliveries and services by ALBILEX does not constitute an acknowledgement of Terms and Conditions or purchase policies of the Purchaser.
- 1.3 The ALBILEX Terms and Conditions shall also apply to any future business of the Purchaser with ALBILEX, and this does not require any other express reference to the ALBILEX Terms and Conditions.

### 2. Conclusion of a Contract

The conclusion of the contract shall be accomplished by the confirmation of the Purchaser's order by ALBILEX under the stipulations stated therein as well as the ALBILEX Terms and Conditions. By way of submitting the Purchaser's order, the Purchaser declares that he/she agrees with the ALBILEX Terms and Conditions. Any deviations from the Terms and Conditions shall only bind ALBILEX if this has expressly been confirmed by ALBILEX in writing.

### 3. Goods to be Delivered, Condition of the Goods

- 3.1 A final description of the owed condition of the goods is given in the confirmation of the order by ALBILEX. ALBILEX owes no additional condition or quality of the goods.
- 3.2 ALBILEX grants no guarantee (*Garantie*) in regard to delivery items unless this is expressly agreed upon in written form in the confirmation of the order under the term "guarantee" or "*Garantie*".
- 3.3 It is the Purchaser's obligation to verify whether the delivery items are suitable for his business and the planned purpose.

### 4. Purchase Price

- 4.1 ALBILEX prices shall apply ex works Usingen unless expressly stipulated otherwise. Statutory VAT as well as shipment and possible insurance will be charged separately and additionally.
- 4.2 Any taxes and tariffs shall be borne by the Purchaser. These are not included in the price.

### 5. Payment

- 5.1 Payment is to be made within 10 (ten) days following receipt of invoice without any deduction and free of charge and expense to the bank account stated by ALBILEX in the invoice, unless otherwise stipulated in the confirmation of the order by ALBILEX.
- 5.2 Should the Purchaser fail wholly or partially to pay the purchase price for the delivery items within the period stipulated in clause 5.1, he/she gets into arrears without any further notice by ALBILEX.
- 5.3 In case of Purchaser's arrears, ALBILEX shall be entitled to claim interest on these arrears at a rate of 9% p.a. over the current basic interest rate of the European Central Bank. This shall not inhibit any further statutory rights of ALBILEX.
- 5.4 In case several claims are outstanding, payments will be charged to the respective oldest claim including incidental expenses and interests, unless expressly stipulated otherwise by ALBILEX.
- 5.5 During the term of the Purchaser's arrears, ALBILEX shall not be obliged to further effect deliveries already agreed upon, but shall be entitled to request an advance payment for any outstanding deliveries in the amount of the total outstanding purchase price.

- 5.6 Should ALBILEX have reasonable doubts as to the Purchaser's solvency or his/her willingness to pay, in particular on the grounds of non-fulfillment of payment obligations or a subsequent deterioration of his/her economic position, ALBILEX shall be granted the right to make any claim immediately due and payable, and to request the Purchaser to effect an advance or security payment in the amount of the purchase price.

## **6. Delivery**

- 6.1 Delivery periods and dates shall only be binding if these have expressly been stipulated as binding in written form in the confirmation of the order. Any delivery periods and dates shall be subject to ALBILEX being supplied in time itself, unless ALBILEX can be held liable for not having made a respective cover purchase or is in any other way responsible for the lack of delivery to itself. Delivery periods and dates refer to the dispatch date of the goods ex works ALBILEX in Usingen.
- 6.2 Should delivery be delayed due to reasons ALBILEX cannot be made liable for, in particular in cases of Force Majeure, ALBILEX delivery periods and dates shall be extended or delayed according to the duration of the impediment. Events of Force Majeure shall in particular be shortage of energy and resources, industrial action, government orders or distribution and operation interruptions. Should the delay exceed the delivery periods and dates originally stipulated as binding for more than 60 (sixty) days, both, ALBILEX and the Purchaser shall have the right to withdraw from the contract. In this case, the Purchaser shall be excluded from his/her right to claim damages.
- 6.3 Should the delivery be delayed due to reasons ALBILEX can be made liable for, the Purchaser shall be obliged to request ALBILEX in writing to effect delivery within a reasonable period of at least 4 (four) weeks. Thus, ALBILEX is put in default.
- 6.4 In case such a delivery period or date was stipulated to be non-binding, the Purchaser shall only be entitled to give the above mentioned notice at the earliest 4 (four) weeks after transgression of the non-binding delivery period or date.
- 6.5 The Purchaser shall only be entitled to claim damages for default in delivery pursuant to clause 6.3 above subject to the provisions under clause 11 below.
- 6.6 The goods delivered shall be received and temporarily stored by the Purchaser even in case they show minor defect. This shall not affect the Purchaser's warranty rights pursuant to clause 10 below.

The Purchaser shall bear all costs in connection with such action.
- 9.7 On ALBILEX's request, the Purchaser will give any information requested in regard to ALBILEX's securities and issue ALBILEX an assignment deed on the claims assigned, as customary in banking.
- 9.8 The Purchaser's right in the ordinary course of business to sell the Conditional Commodity or to call in claims assigned as securities shall not apply, if the Purchaser gets in arrears or no longer duly fulfills his/her obligations arising from the business relationship in spite of ALBILEX's reminder. Furthermore, ALBILEX shall be entitled to revoke this right at any time, if serious doubts in regard to the Purchaser's creditworthiness exist or grow stronger.

In order to do so, the Purchaser shall be obliged to grant ALBILEX a reasonable period of at least 4 (four) weeks in his/her notification of defect after its receipt. In case such a remedy or substitute delivery is unsuccessful, ALBILEX shall be entitled to make one further attempt to remedy the defect or provide a substitute delivery within 2 (two) weeks after receipt of the Purchaser's written notice of the failure of the first remedy or substitute delivery.
